

EPD-NET

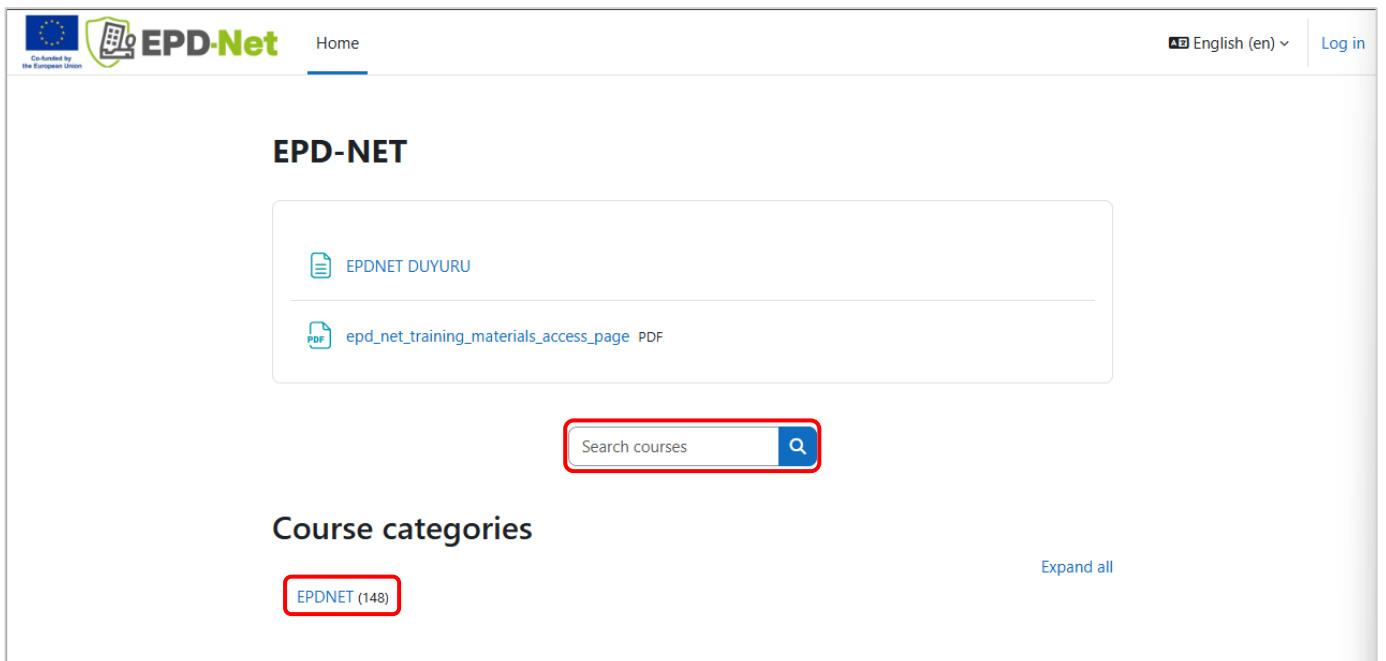

Learning Management System

User Guide

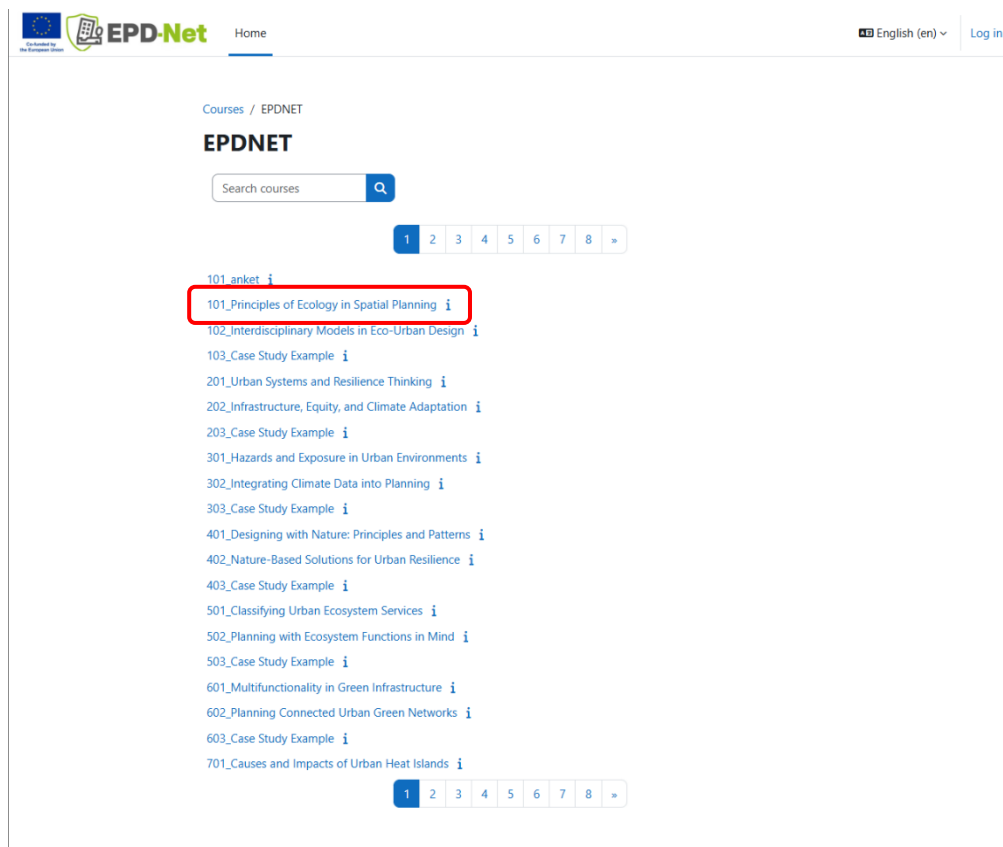

To access the EPD-NET, please go to <https://epd-net.eskisehir.edu.tr/>

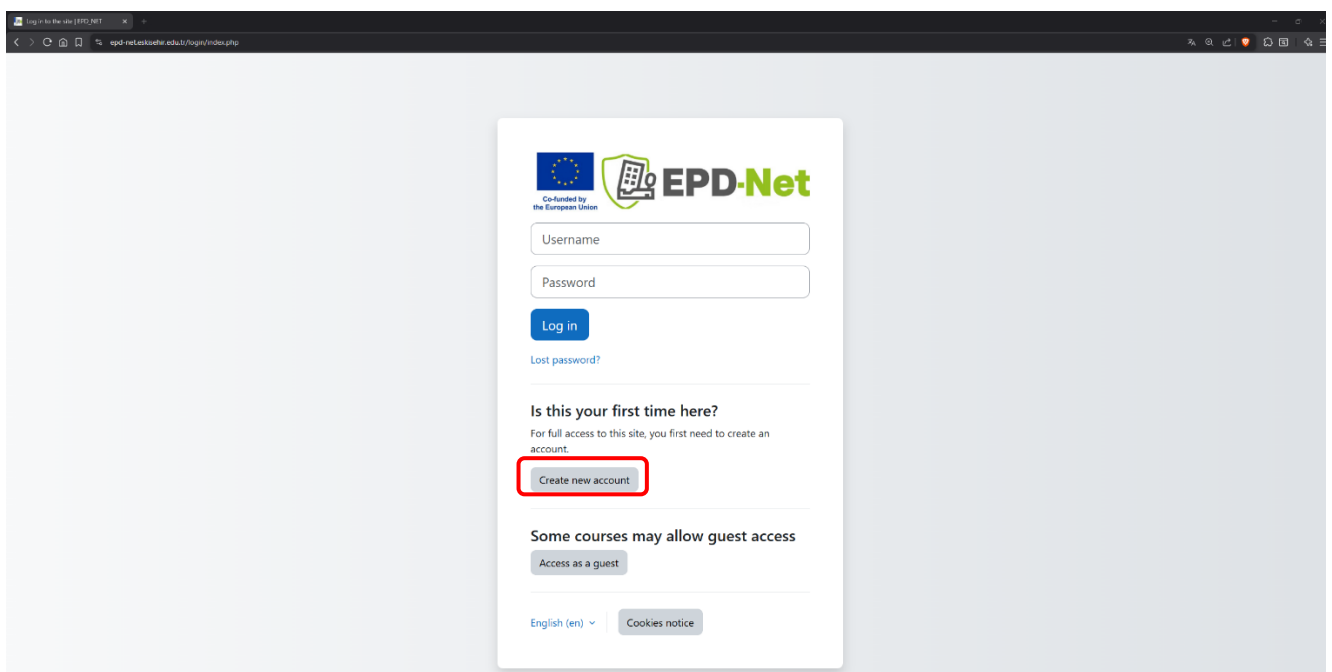

To view the courses, you can click on the '**EPDNET**' section under 'Course Categories', or search for the course you wish to enrol on via the '**Search courses**' section.

In the **'Courses/EPDNET'** section, you can view a list of the courses available in the system. Select the course you wish to enrol on from the list and click on it.

Once you have selected the course you wish to take, you will need to register with the system to access it. To create a new account, select the **'Create new account'** option.

On the screen that appears, once you have entered the required details to create an account, you can complete the registration process by clicking the **'Create my new account'** button.

Once the registration process is complete, you can finalise your registration by following the simple instructions in the email sent to your email address.

When you click on the link sent in the email, click the 'Enrol me' button on the page that opens to complete your registration for the selected course.

When you log in to the course, you will be taken to the course homepage. The navigation menu is located on the left. From here, you can quickly access the course modules. The course includes modules in six different languages (TR, EN, CZ, LV, PT, SK). For each language, there are modules for Course Video, PowerPoint presentation, Transcript, Open-ended Assignments, Quiz, Survey and Certificate.

The screenshot shows the EPD-Net course interface. At the top, there is a navigation bar with the EPD-Net logo, a home icon, and links to 'Home', 'Dashboard', and 'My courses'. On the right side of the header, there are notification icons and a user profile icon labeled 'du'. The main content area is divided into two sections. The left section is a sidebar navigation menu, and the right section is the course content area. Both sections are highlighted with red rounded rectangles. The sidebar menu includes a 'General' section with 'About the course', a 'TR_Mekânsal Planlamada Eko...' section, a 'Ders Videosu' section with 'Video_TR', a 'PowerPoint Sunumu' section with 'Presentation_TR', a 'Transkript' section with 'Transcript_TR', an 'Açık Uçlu Ödev' section with 'Open_Ended_Assignmen...', a 'Quiz' section with 'Quiz_TR', an 'Anket' section with 'Survey_TR', a 'Sertifika' section with 'Certificate_TR', and a selected 'EN_Principles of Ecology in S...' section with 'Course Video', 'Video_EN', 'PowerPoint Presentation' (with 'Presentation_EN'), and 'Transcript'. The course content area on the right shows the title 'EN_Principles of Ecology in Spatial Planning' and a 'Course Video' section. The video player displays the title '101 - Principles of Ecology in Spatial Planning' and a description: 'EPD-Net | Filling The Gap: Development of Ecological Planning and Design Learning Network An Adaptive Smart Training Module For Disaster Resilient And Sustainable Cities'. Below the video player, there are sections for 'PowerPoint Presentation' (with 'Presentation_EN PPTX' and a note 'Not available unless: The activity Video_EN is marked complete'), 'Transcript' (with 'Transcript_EN DOCX' and a note 'Not available unless: The activity Presentation_EN is marked complete'), and 'Open_Ended_Assignment'.

The course content **has been designed so that learners progress only once the prerequisites have been met**. These prerequisites must be completed to obtain a certificate. **Each participant will follow only the content relevant to their own language.**

- For the PowerPoint module, **the Video activity** must be completed.
- For the Transcript module, **the PowerPoint activity** must be completed.
- For the Open-ended assignment module, **the Video, the PowerPoint and the Transcript activities** must be completed.
- For the Quiz module, **the Open-ended assignment activity** must be completed.
- For the Survey module, **you must achieve higher than a certain score in Quiz activity.**

For the Certificate module, **the Survey activity** must be completed.

The screenshot displays a list of course modules with their prerequisites. Each module is represented by a card with a dropdown arrow, a document icon, a title, and a status bar. The status bar indicates when the module becomes available based on completing other activities. Red boxes highlight the prerequisite text for each module.

To progress through the course, you must first click on the **'Course Video'** module to watch the course video and, once you have finished watching it, click the **'Mark as done'** button. You can then move on to the next module by clicking on the **'Presentation_EN'** module in the navigation menu. The next module will not be unlocked until the **'Mark as done'** button has been ticked.

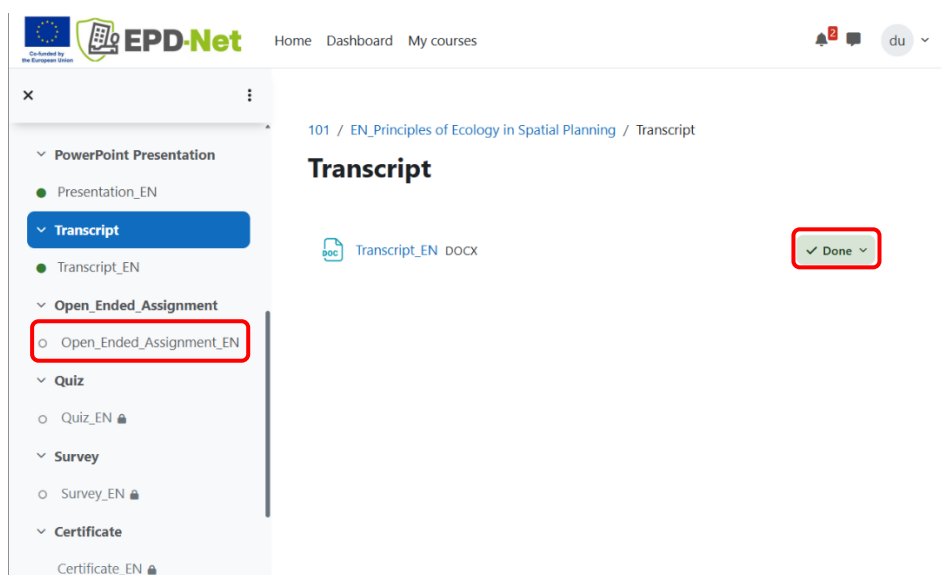

The screenshot shows the EPD-Net course interface. On the left, a navigation menu lists various modules under 'EN_Principles of Ecology in Spatial Planning'. The 'Course Video' module is highlighted in blue. The main content area displays the video player for '101 - Principles of Ecology in Spatial Planning'. The video player has a 'Mark as done' button in the top right corner. Below the video player, there are sections for 'PowerPoint Presentation' and 'Transcript'. Both sections are locked and display a message: 'Not available unless: The activity Video_EN is marked complete'.

The screenshot shows the EPD-Net course interface. On the left, a navigation menu lists various modules under 'EN_Principles of Ecology in Spatial Planning'. The 'Presentation_EN' module is highlighted in blue. The main content area displays the video player for '101 - Principles of Ecology in Spatial Planning'. The video player has a 'Mark as done' button in the top right corner. Below the video player, there are sections for 'PowerPoint Presentation' and 'Transcript'. Both sections are locked and display a message: 'Not available unless: The activity Video_EN is marked complete'.

When you click on the **‘PowerPoint Presentation’** module, the file contained within this module will be downloaded to your computer. Once the file has been downloaded and reviewed, you can proceed to the next module by clicking on the **‘Transcript’** module in the **‘Navigation’** menu.

When you click on the **‘Transcript’** module, the file contained within this module will be downloaded to your computer. Once the file has been downloaded and reviewed, you can proceed to the next module by clicking on the **‘Open-Ended Assignment’** module in the **‘Navigation’** menu.

When you click on the **Open_Ended_Assignment_EN** module, the relevant file contained within this module (e.g. 101_Open_Ended_Assignment_EN.docx) will be downloaded to your computer. You must complete the assignment contained in the relevant file and upload it to the system via the **'Add Submission'** section. You can drag and drop the file you have prepared into the area shown in the second image, ensuring it is no larger than 20 MB. You should then save your file to the system by clicking the **'Save Changes'** button.

Once your submission has been saved, you can proceed to the next module by clicking on the **'Quiz_EN'** module in the **navigation** menu.

When you click on the 'Quiz_EN' module, you will be able to access the exam for this course. To succeed in the course and qualify for a certificate, you must pass the quiz **by achieving a score of 60 or above**. The duration of the exam and the number of attempts are specified on the exam screen. **The highest score you achieve across your attempts** will be the one that counts.

You can start the exam by clicking the 'Attempt quiz' button and selecting 'Start attempt'.

The screenshot shows the EPD-Net course interface. On the left sidebar, the 'Quiz_EN' module is selected under the 'Quiz' category. The main content area displays the 'Quiz_EN' details, including the 'To do' section with 'Receive a grade' and 'Receive a passing grade' options. A text box provides information about using EPD-Assist for self-directed learning. Below this, the 'Attempt quiz' button is highlighted. A red box highlights the quiz details: 'Attempts allowed: 3', 'Time limit: 30 mins', 'Grading method: Highest grade', and 'Grade to pass: 60.00 out of 100.00'.

Start attempt

Time limit

Your attempt will have a time limit of 30 mins. When you start, the timer will begin to count down and cannot be paused. You must finish your attempt before it expires. Are you sure you wish to start now?

Start attempt

Once the quiz has started, the questions will appear one at a time on each screen. You can proceed through the exam by selecting the option you think is correct and clicking the **'Next page'** button. You can also track your progress via the **'Quiz navigation'** section in the top right-hand corner.

101 / EN_Principles of Ecology in Spatial Planning / Survey / Survey_EN

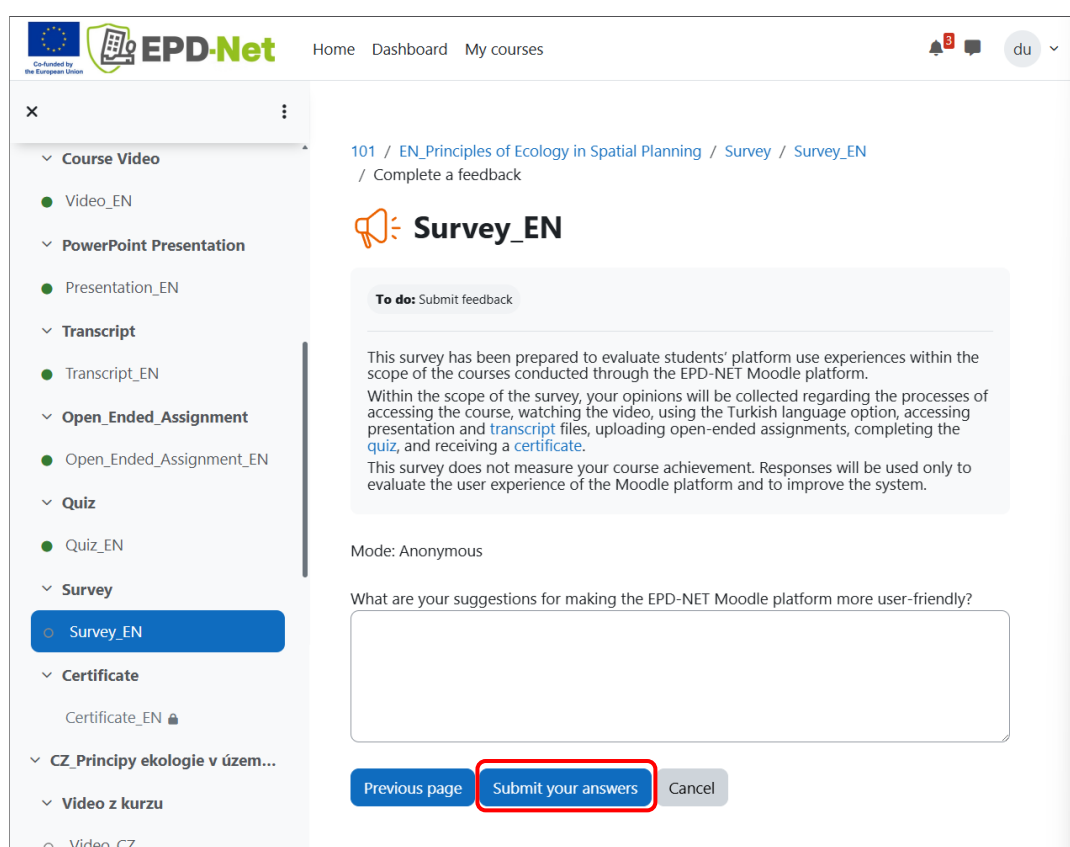

Survey_EN

To do: Submit feedback

This survey has been prepared to evaluate students' platform use experiences within the scope of the courses conducted through the EPD-NET Moodle platform. Within the scope of the survey, your opinions will be collected regarding the processes of accessing the course, watching the video, using the Turkish language option, accessing presentation and [transcript](#) files, uploading open-ended assignments, completing the [quiz](#), and receiving a [certificate](#).

This survey does not measure your course achievement. Responses will be used only to evaluate the user experience of the Moodle platform and to improve the system.

Mode: Anonymous

What are your suggestions for making the EPD-NET Moodle platform more user-friendly?

Submit your answers

Once you have completed the survey, you can access your certificate by clicking on the 'Certificate_EN' module in the **Navigation** menu.

The screenshot shows the EPD-Net web application interface. The top navigation bar includes the EPD-Net logo, a home icon, and links for 'Home', 'Dashboard', and 'My courses'. A user profile 'du' is visible in the top right corner. The left sidebar contains a navigation menu with the following items: 'PowerPoint Presentation', 'Presentation_EN', 'Transcript', 'Transcript_EN', 'Open_Ended_Assignment', 'Open_Ended_Assignment_EN', 'Quiz', 'Quiz_EN', 'Survey', 'Survey_EN', 'Certificate', 'Certificate_EN' (highlighted with a red box), 'CZ_Principy ekologie v územ...', and 'Video z kurzu'. The main content area displays the breadcrumb '101 / EN_Principles of Ecology in Spatial Planning / Certificate / Certificate_EN' and the title 'Certificate_EN' with a 'View certificate' button (also highlighted with a red box).

The screenshot shows a 'Certificate of Participation' document. The header includes the EPD-Net logo and the title 'CERTIFICATE OF PARTICIPATION'. The document details the 'EPD-NET Project' dated 'June 30, 2026' for a 'demo user'. It states that the certificate is awarded in recognition of active participation and successful completion of the '101_Principles of Ecology in Spatial Planning' course, which is organized under the EPD-NET Project to support innovative, inclusive, and resilient approaches to sustainable urban development. The document identifies the 'Project Coordinator' as 'Eskişehir Technical University'. It provides a 'Certificate Code: rS1s3O1pov' and a 'Verify Certificate' QR code. The bottom of the certificate features the Erasmus+ logo, social media icons for WhatsApp, Telegram, LinkedIn, Facebook, YouTube, and Instagram, and the website 'www.epd-net.org'.
